

I'll be opening my book for 2014 on the 1st of September. As always, I recommend picking a day within one or two days of either the full or new moon when booking in advance, to hedge your bet. Other days produce big trout too, so if you can't get on the big moons, book something else! If you'd like my opinions about dates, or need any other information before the 1st, feel free to call me.

Please be as committed as possible to the dates you select, as it can be difficult to change them for you later. I will require a \$100 deposit to hold a single day, double per day for multiple day bookings, so \$400 for a two day deal, \$600 for three, etc...

Please email [kevxlr8@mygrande.net](mailto:kevxlr8@mygrande.net) or call me at 361 688 3714 starting 9/1 with the days you want. If calling, we'll make the start time 7 a.m.. Once I have confirmed your chosen day or days on my end, you can submit the deposit online, using the PayPal deposit button on FishBaffinBay.com, or you can send me a check, made out to me, Kevin Cochran.

My address is:  
15614 Dyna St.  
Corpus Christi, TX 78418

Please let me know how you want to submit the deposit when you book, and please submit your deposit as promptly as you can. Hoping to start getting the next season set up with some of you on board!

And by the way, don't forget about December of this year. It's a great month for catching big trout and crowds are generally light. Still have plenty of days left between now and Christmas.
